The Dept of MBA, Sree Vidyanikethan Institute of Management (SVIM) has organized the International Webinar titled **"SAP ERP Practices- India & Abroad for Management Professionals (Career Prospects and Growth Opportunities)"** on 14th Aug'20 from 4pm to 5-30pm. The Objective of this International Webinar is to enlighten the student community & aspirants of SAP & ERP on the changing trends in Systems Applications & Products in Data Processing (SAP) and Enterprises Resources Planning (ERP) software's that the Companies today are using to manage their financials. Logistics, Human Resources and other business areas. As the Companies today are operating in VUCA (Volatility, Uncertainty, Complexity and Ambiguity) world, the SAP ERP tools are found to be the right tools to manage the organizational resources more efficiently and effectively with the objective of improving productivity. Hence there is a wide scope of employment opportunities in this area with lucrative job offers and Career hierarchy for those who have a passion and a strong determination to grab them. This International Webinar has opened the doors with this objective of a panel discussion between two expert speakers/Resource Persons who are well established in these domains to share their knowledge and wisdom with the huge audience.

Mr.M.RAGHAVENDRA, Associate Manager, SAP Finance & Controlling, Accenture Services Pvt Ltd, Bangalore and **Mr.KR SRAVAN KUMAR , Senior Functional Consultant, RAMCO Systems, Malaysia,** have joined this International Webinar as resource persons and created a significant impact on the participants with their amazing sessions. The International Webinar commenced with a welcome note from **Dr.B.Nagarjuna, Associate Professor,** Dept of MBA followed by the Opening remarks from the **Director, SVIM** and **Convener Prof.N.Gurunatha Naidu** who has introduced the topic **SAP & ERP** and highlighted the purpose behind the webinar. This was followed by two technical sessions on **SAP & ERP** handled by the speakers mentioned above. A good number of relevant questions/clarifications were addressed by the resource persons making the **Question and Answer session** more interactive and participative. **Mr.BN Lalithchandra, Asst Prof, Dept of MBA** & **Dr.K.Vidyasagar, Asst Prof, Dept of MBA** played a key role in introducing the speakers to the audience and connecting them to the speakers without any technical glitches. The two technical sessions were interestingly stretched for almost 1hr 40 min and the International Webinar came to an end by collecting the feedback from the participants followed by Vote of thanks. Not to exaggerate but to explain, the International Webinar has attracted more than 1300 registrations from different parts of the country and abroad representing 19 states of INDIA and also 14 International registrations representing 08 countries were received representing USA, Sri Lanka, U.K, France, Germany, Pakistan, UAE & Singapore countries. The feedback was recorded in the Chatbox with more than 80% of the audience expressing the usefulness of this International Webinar with a handful of Key takeaways.
