The Department of MBA, Sree Vidyanikethan Institute of Management (SVIM) has organized a National Webinar titled “**Introduction to Securities Market-An overview**” on 4-11-2020 from 10.30 am to 12.30 pm.

Dr. J. Murthy, Coordinator of the webinar has welcomed the speakers & attendees and briefed the importance of securities market. The main objective of the webinar is to provide awareness about securities market and its functioning to the participants.

Prof. P. Narayana Reddy, Director, SVIM in his opening remarks has highlighted the significance of financial market of an economy. He has also briefed the institution’s future plans and expressed his interest to have MoU with NISM and other national bodies.

Shri M. K. Srikanth, Deputy General Manager, Securities & Exchange Board of India (SEBI) has enlightened the participants on the role of regulatory bodies in safeguarding the interest of the investors of equity, insurance and pension markets, also given awareness about SCORES (SEBI’s Redressal Mechanism). He also discussed the SEBI guidelines for IPOs and shared the career opportunities and significance of additional certifications to the MBA students. After attending this webinar, many participants expressed their satisfaction for all the insights of securities market.

Shri B. M. Khaja Mohideen Assistant Vice President, Metropolitan Stock Exchange (MSE) has discussed the functioning of national level stock exchanges and highlighted the importance of PoA and contract notes.

Question and Answer session was also there in which both the speakers clarified the doubts asked by the participants.

Mr. B. N. Lalithchandra, Assistant Professor and **Dr. B. Ujwala**, Assistant Professor Department of MBA played a key role in introducing the speakers.

The session was conducted for more than two hours. This webinar came to an end by collecting the feedback from the participants followed by Vote of thanks. Nearly 200 participants have attended the webinar from different parts of the country.
