A National webinar titled "**CONSCIOUS LEADERSHIP-AN INTERACTIVE WEBINAR**" was organized by the Department of MBA, Sree Vidyanikethan Institute of Management, Sri Sainath Nagar, Tirupati. The program was organized on November 04, 2020. We have received 336 registrations from five states of our country. Students, faculty, research scholars, and industry executives are actively participated and gained knowledge. The webinar was conducted through the ZOOM platform. Welcome address given by coordinator of the webinar **Dr. M.Ramarao**, Assistant Professor, Dept. of MBA, SVIM. The opening remarks were provided by **Prof.P.Narayana Reddy**, Director of SVIM, Convener & moderator of the webinar. **Ms Archana Krishnamurthy**, Founder Of Conscious Living Center, Certified Executive Coach, Advisor, Mentor, Spiritual Seeker, Author, Trainer And Motivational Speaker was headed the session.

Ms Archana Krishnamurthy started her session with the basic concepts of life, spirituality, purpose of life and etc.. . She demonstrated that incorporating the practice of conscious leadership has emerged as a revolutionary paradigm through which individuals and organization can optimize their resources and potentiality. This interactive webinar would help the participants to get introduced to this subject and had the golden opportunity to seeking answers for many foundational questions about life and self from the experienced facilitator. Lead the happy life, define success, stress free, build the trust, journey from hopeless to hope and making better choices were the some of the takeaways of the webinar.

Prof. P. Narayana Reddy in his remarks about the session elaborated that Consciousness is learning to become aware of our own meaning making system which takes in our experience of the world and draws conclusions to make sense of it all, further he advised the participants that One of the core aspects of development is the process of revealing your deeply held limiting beliefs with a coach and changing, replacing or managing these beliefs.

Mr V. Rahamthulla, asst professor from the department of MCA, Propose the vote of thank and session ends with joy of learning about the concept of life and the beauty of living.
