A Three-day Short-Term Online Programme on "Data Analysis Using Python" was organized from 18th to 20th June, 2021 by the Department of MBA, Sree Vidyanikethan Institute of Management, Sree Sainath Nagar, Tirupati. There were 36 registrations received from three states in India and abroad (one participant from UAE). Participants were students, faculty, research scholars, and industry executives. ZOOM platform was used for conducting the programme.

Day 1 (18th June, 2021)

The session started at 3: 00 PM with welcome address by Dr S Susendiran. Prof.P. Narayana Reddy, Director of SVIM & Convener of the programme gave opening remarks. Dr. M. Naresh Babu, Coordinator & Assistant Professor, briefed about the objective of the programme and presented the profile of the resource person. Dr S. Susendiran, Associate Professor, acted as co-coordinator.

Mr. Phani K, CEO and Head, Artificial Intelligence and Machine Learning, ViHaVe Innovations Ltd, Hyderabad was the resource person for all the three days. Mr. Phani, on Day-1, took the session on introduction to Data Analysis, its key components, Basics of Python: Introduction, ANACONDA prompt, Jupiter Notebook, creating work environment, cells, syntax run, etc. further continued with python data type: Numeric, Strings, Characters etc. till 5.10 PM. First day session was closed with Question-and-Answer activity.

Session was closed with Question-and-Answer activity.

Day 2 (19th June, 2021)

On day two, session was welcomed by Dr S Susendiran and handed over to the resource person Mr. Phani. It was sharply started at 3.00 PM. Phani, on Day-2, covered Primitive and Non-Primitive types in Python by hands-on approach which was covered by industry led examples. Going forward, session was continued with a discussion on Lists, Tuples, Sets, and Dictionaries in Python till 5.00 PM. At the end of the day Q & A was conducted.

Day 3 (20th June, 2021)

On day three, which was the last day of the programme, Mr. Phani, who was the resource person, continued his expert talk and shared his knowledge about Advanced Python, NumPy, Pandas, Exploratory Data Analysis through hands-on mode using industry related example of his own data set till 5.00 PM. As usual, session ended with Q & A. At the end of the event, Prof. P. Narayana Reddy, Director, Sree Vidyanikethan Institute of Management, has given closing remarks.

The participants highly appreciated for organizing such an interesting Three-Day Short-Term programme and also expressed their satisfaction about the resource person.

The session ended at 5.20 PM with vote of thanks by Dr M Naresh Babu, Coordinator and Dr S Susendiran, Co-Coordinator of the Programme.
